world we want."

### EXECUTIVE COMMITTEE

Richard Derrow  
Charles Truex  
Mary Jo Whipkey  
William Alvarez

He struts into the final term,  
Making underclassmen squirm,  
As with scornful look and furrowed brow  
He views the typical sophomore now.  
He dashes about on club and team,  
Making happy parents beam.  
He serves committees. Heights sublime  
Are reached when he runs at election time.  
He wonders how we'll get along  
Without his merry face and song.  
He nervously watches commencement dawn,  
Wondering where the time has gone.
