# Dedication

We, the class of "58", are proud to dedicate this edition of the "Sherconan" to Mrs. Edith Virgin, a teacher, and above all, a friend. Mrs. Virgin has given freely and unselfishly of her time and effort, which in many instances called for personal sacrifice. We will always remember and appreciate her inspiring influence during our four years at Sherrard.

# Class Prophecy

Ten years seems quite a long time, and indeed it is for the members of this class have scattered to the four winds. Let us briefly drop in on each of the members of this "Class of '58."

Bonnie Sellers has just returned from a trip to Mt. Everest where she had gone to get some exclusive pictures of John Hutchison, the famed hermit, who left our class early in his senior year.

Ronald Kettler is working on the second phase of the bridge plan which will link Key West, Florida and Havana, Cuba. He feels the revenue from this venture will more than pay for his effort.

Elmer Parsons has already retired to his rocking chair and from this position he manages the four farms which he owns.

That suave looking young man in the red sports car is Jim Conner. His exclusive foreign car mart is the hub of car buying in the valley.

His favorite secretary is Esther Kupfer. Her high school day experiences with cars has made her an invaluable asset to the firm.

High in the pine forests of Montana we find ranger, Kay Hill. He has a large group of men under him. Each year he takes a group of boys from his old Alma Mater and teaches them the secrets of forest lure.

Eugene Armstrong is head of the research department of one of the local chemical plants. When one sees him at home, he is usually being trailed by several imps who refer to him as Da-Da.

Elinor Moser has still not lost her "why-ing" ways. She's working as head of the medical laboratory at John Hopkins. On every trip to old S.H.S. she visits the old "chem" lab where she spent many glorious(?) hours.

Carole Mallery is still typing away at Scott Lumber Company. By this time she has enough lumber to build half a house. She figures that by taking one piece of wood every day for twenty years, she'll have enough to build her own home.

Jeff Dougherty has formed his own musical group aptly called the Doc-a-teers. Their speciality is rock-and-roll with a clayspo beat.

His head vocalist is Jim Randolph. Even after ten years, the girls are still swooning over that dark curly hair and handsome profile.

It seems that all those sixth period trips to the kitchen did more than help Carol Laubert with the culinary arts. Although they didn't change her initials, they helped to change her name--to Loy, of course.

After all this time, Delores Robinson has really perfected her driving art. While in her senior year, bus driving was her speciality--or should we say bus drivers!

Janet Ebeling is busy taking care of her interests in the class of 1957. In addition, she works as private secretary to a large firm in Wheeling.

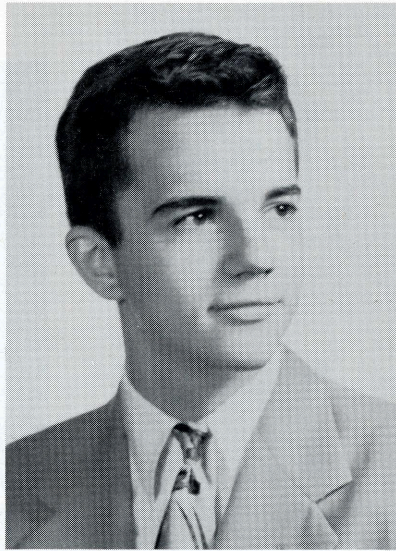

Peg Cunningham has not yet settled down. She still has more activities than she has time to perform. College wouldn't be so bad if only W.L.S.C. were involved, but that guy Marvin, along at W.V.U., really gives her much food for worry.

They have not changed so very much, this class of 1958. Sherrard High School still holds a high place in the memory of each one. Perhaps another ten years will bring many turns in the pathways of this group, but we hope that all those blind turns will only bring better things into view.

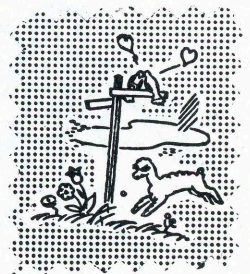

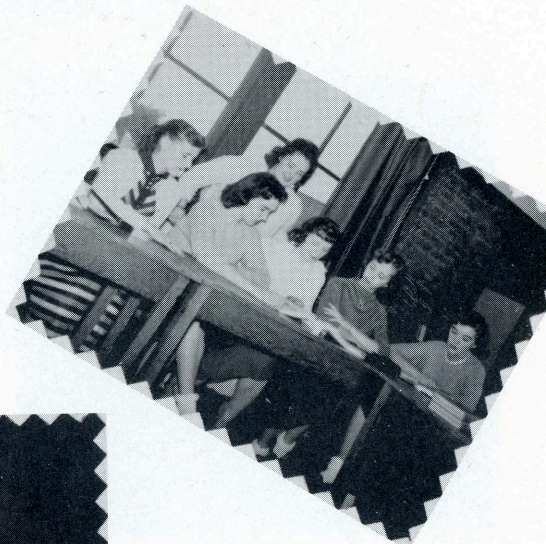

# SALUTE OUR FRIEND

John Hutchison

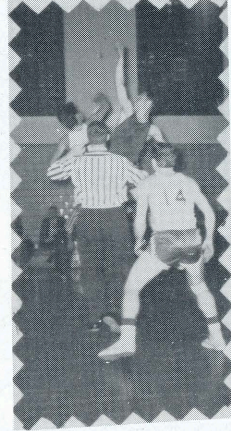

Early in his Senior year at Sherrard, John left our class and returned to Barnsville, Ohio. Even though he is not a member of our class now, we still think our yearbook would not be complete without him.

# Tigers, Rams Reach Finals In B Regional

Defending champion Sistersville will take on Sherrard's amazing "Upset Kids" in the finals of the Region 1-B basketball tournament this afternoon at 2 o'clock at the Moundsville Fieldhouse.

Last night's semi-final action favored Sistersville 81-58. Sherrard's regular season record is 17-10. The Rams' record is 17-10.

## Section 2-B Longshots

# Sherrard Stuns Cameron 51-37

The basketball Rams of Sherrard, last night upset Cameron straight foe, 51 to 37, at Moundsville House and won their first Region One tournament during the big third period—Sherrard took that one by 13 to 4—and the upset was complete when the two teams played on even terms during the last eight minutes.

Larry Stead and Don Jones, both of whom joined Jones as members of the all-time team, backed Sherrard's veteran with 11 and 10 points respectively.

Cameron, which led after its 9 to 8 in the first half, as in the second half, attached to Sherrard's attack in the opening minutes of the game.

Joining Sherrard's attack were Eddie Lisk and Jerry Earnest. Ron Trost and Shepherd of Cameron won the championship.

# Rams Rip Previously Unbeaten Flemington

FAIRMONT, W. Va. (AP)—Those miracle-makers who have won the major upset of West Virginia basketball this season here tonight by defeating Flemington, 75-46, for the Area championship.

Sherrard's attack was led by Don Jones, son of Coach Jones, who scored 21 points. Charley Jones, scoring punch, led down the court and founded the attack.

## Cinderella Rams

# Sherrard Trips Tigers 51 to 45

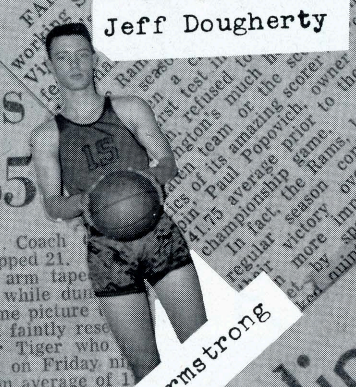

The Rams of Sherrard, a fabulous tournament team, yesterday stunned Sistersville High, 51-to-45, in Region One's Class B final at Moundsville's fieldhouse to annex their initial regional basketball title.

The fact that Sistersville was deprived of scoring power embodied in Elliott Thrasher, pre-game accident, contributed to the Tiger's defeat during the third period.

Sherrard's Don Jones and Larry Stead, both of whom joined Jones as members of the all-time team, backed Sherrard's veteran with 11 and 10 points respectively.
