NATIONAL HONOR SOCIETY

Sometimes called the Phi Beta Kappa Society of the high school, Union's chapter of the National Honor Society added twelve new members to its ranks this year. To receive such distinction a student must be in the upper third of his class scholastically in order to be nominated for membership. A student also is considered according to the service he has rendered to the school, his leadership, character, and scholastic ability.

The twelve Seniors chosen by the faculty to receive this high honor are: Jean Bonar, Loretta Dado, William DeBold, William Haythorne, Helen Heffner, George Kessler, Jerry Lucey, Lois McCabe, Phyllis Nicholes, Henrietta Schafer, Kitty Lou Shields, and Joe Stipetich.
