### William (Bill) Prasick

January 6, 1935 - April, 1951

Bill, as his classmates called him, came to us from St. Johns Central High School at the beginning of the school year, September, 1950. He was not with us very long because of a tragic accident causing his death, but he had made a place for himself in our class and is remembered as a classmate of those who will complete their high school careers at the end of this school year (1952). Perhaps no better tribute could be paid to Bill than the idea expressed by the following lines:

"To live in hearts we leave behind  
Is not to die."
