(JOHN) WILFORD GRAY AND WILLIAM OFFTERDINGER DEAD OVERSEAS

Two More Moundsville Boys Make Last Supreme Sacrifice in Country's Cause.

Gray Killed in Action on November 2 -- Offterdinger Dies of Pneumonia.

News of the death of two more Moundsville boys overseas was received last night.

Private John Wilford Gray, son of Mrs. Margaret Gray, 1508 Second street, was killed in action on November 2, and William Offterdinger, son of William Offterdinger, local banker, died of pneumonia in Belgium in November 5.

The information was received here in the form of a telegrams from the war department at Washington.

Offterdinger was employed at Youngstown, O., at the time the United States entered the war and at once enlisted in the Ohio National Guard as a musician. He was a member of a regimental band at the time of his death.

He trained with the Ohio boys at Camp Sheridan, Montgomery, Ala., and went overseas last June. He was a member of the 148th Infantry, Thirty-seventh division.

Offterdinger was 32 years of age and was born at Wheeling. He spent virtually all his life in this community. The only survivor in addition to the father is Mrs. E. A. Fankhouser, a sister.

Private Gray was employed at Akron, O., at the outbreak of the war and registered there. He obtained

a transfer, however, and was sent to Camp Lee with Marshall county boys, going with the second large contingent to leave here. He was in training only a short time until he was sent to France in a replacement unit. Gray was a member of a machine gun battalion at the time he met his death.

He was a member of the United Presbyterian church, of which Rev. C. O. Smith is pastor, and is the first soldier from that church to be reported killed.
