

OHIO COUNTY DRAFT BOARD OF 1917

Ohio county's draft board, organized in March of 1917, is pictured above. They were responsible for sending the young men to camp. The men who went to war are now active in business and will be hosts to the 80th division which will open the 16th annual reunion Thursday morning.

The members of the board are Andrew V. Fisher, the late Dr. John L. Dickey, chairman, and Dr. W. S. Webb, prominent Warwood physician.
